

This is our 4th year celebration of the feast of Sto. Nino in the Roman Catholic Archdiocese of Southwark organized by the Filipino Community under the pastoral care of the Scalabrini Fathers supported by Bishop Lynch, who on his return from a conference in Manila in 2009, touched by his experience, desired to celebrate the mass for the feast. The Bishop's intention was to make this Feast to unite the various Filipino communities in London as they express their faith and culture. The feast of the Sto. Niño is celebrated across the Philippine archipelago and by the Filipino Catholics all over the globe. Sto. Nino is the First Image of Catholicism that was brought to our country of which our faith Tradition have flourished. It unites the Filipinos everywhere both in prayer/ adoration and in showcasing cultural heritage. In the same spirit and enthusiasm, we would like to invite our kababayans and other communities here in London to come and celebrate with us and relive the festivity that we all grown up with.

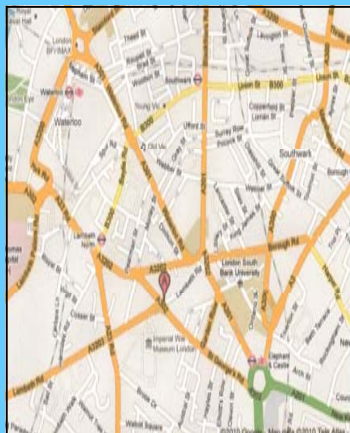

*Lahat po tago ay magkatsa sa pananampalataya at sa pagdiriwang ng Kapistahan ng Mahal na Santo Nino.*
